TWIST Showcases Eco-friendly Sponges at Expo East Booth #448 in Baltimore, Sept. 27-29

BOULDER, Colo. (Sept. 20, 2007) — TWIST, a natural and eco-friendly household products company, will showcase its Euro Cloth #20, Loofah Sponge #50 and Euro Sponge #10 at the Natural Products Expo East in Baltimore, Md., Sept. 27-29, at booth #448. Introduced just six months ago, TWIST products offer a new way to approach kitchen and bath cleaning and are eco-conscious and fashionable alternatives to traditional offerings.

"We are excited to be exhibiting at Expo East - TWIST originally launched at Expo West in March and since then has grown exponentially nationwide," said Brian Ross, TWIST's co-founder and CEO. "We recently partnered with Wildfire Sales on the East Coast and just received entry into Whole Foods Markets in New Jersey, New York and Connecticut. We have been overwhelmed by the incredible consumer response to our products, and the timing couldn't be more perfect for TWIST to showcase at Expo East."

TWIST products include the Euro Sponge #10 (SRP \$1.99/1-pk) which offers a durable, biodegradable, and elegant option for day-to-day cleaning. In addition, the Loofah Sponge #50 (SRP \$4.99/2-pk) is an all-natural, biodegradable and anti-bacterial product that is one side absorbent sponge and one side natural loofah. Finally, the Euro Cloth #20 (SRP \$3.99/3-pk) offers the absorbency of a paper towel and the reusability of a sponge, and is a modern and eco-friendly solution for wiping even the messiest of spills. Made from sustainable pine trees, the Euro Cloth is long lasting, anti-bacterial, dishwasher safe and biodegradable.

TWIST products are 100% biodegradable and the packaging is earth-friendly and recyclable. To encourage its environmental message, TWIST packages can be converted into little bird feeders by following the instructions on the inside of its package. Photos on how to make a birdfeeder can be found at www.twistclean.com/birdfeeder.

About TWIST:
